Applicant hereby petitions to correct the Assignee information on the title page of the patent. Specifically, Applicant requests that 37 CFR § 3.871 be waived to permit the correct assignee data to be reflected in the issued patent.

As indicated on the attached copy of the recorded assignment for Serial No. 09/781,235, filed February 13, 2001, the correct Assignee data identifies MINOLTA Co., LTD., located in Osaka, Japan. However, due to a clerical error, the incorrect assignee data was entered on the Issue Fee transmittal Form PTO-85 Part B. Accordingly it is respectfully requested that this petition be granted such that the correct assignee be properly identified for this patent.

A copy of the date stamped postcard evidencing the filing of the Assignment on February 13, 2001 is also attached.
